Dear Jack,

I have just learned that you will be shortly leaving your posts as President and Executive Director of AFIO.

Please accept my sincere gratitude for all of your efforts on behalf of the Intelligence Community and, in particular, the Agency. Due in large part to AFIO, I believe that 1980 will be a most important year in attaining the necessary legislation fundamental to the successful administration and operation of the Intelligence Community.

Best wishes in your new job, and please keep in touch.

Yours,
